

LICENSED AND INSURED

Serving all of Central PA and beyond!

## COMMERCIAL SERVICES

First impressions are important and having a well-maintained parking lot is the first thing that lets customers know just how well a business is run. RS Asphalt Maintenance has experience in a wide variety of commercial parking lot maintenance.

Whether it's a corporate parking lot, doctor's office, convenience store, church, or any other parking lot, RS Asphalt Maintenance will get the job done right.

### Why Should You Sealcoat?

#### Increases Curb Appeal

Gives a new appearance at a fraction of the cost to repave.

#### Preservation

Protect your investment and avoid costly and unsightly asphalt breakdown.

#### Safety

Helps prevent dangerous pot-holes and cracks.

### Why Choose Us?

#### Experience

Owner Casey Greinermiller has 18 years of experience.

#### Customer Service

Our team will assist you in choosing which sealer is best for your parking lot.

#### Flexibility

We work around your schedule.

#### Honesty

Trusted in Central PA since 1977.
