

LICENSED AND INSURED

Serving all of Central PA and beyond!

RESIDENTIAL SERVICES

The driveway is the welcome mat guests see before even stepping foot on the porch. Not only does driveway sealing look great aesthetically, but having a consistent sealing and maintenance schedule extends the life of the driveway for many years to come.

RS Asphalt Maintenance can help to beautify a neighborhood one driveway at a time.

Why Should You Sealcoat?

Increases Curb Appeal

Gives a new appearance at a fraction of the cost to repave.

Preservation

Protect your investment and avoid costly and unsightly asphalt breakdown.

Safety

Helps prevent dangerous pot-holes and cracks.

Why Choose Us?

Experience

Owner Casey Greinermiller has 18 years of experience.

Customer Service

Our team will assist you in choosing which sealer is best for your driveway.

Flexibility

We work around your schedule.

Honesty

Trusted in Central PA since 1977.

We only use the "Good Stuff"

RS Asphalt Maintenance doesn't use coal tar.
